# Professional advice

## PERSONALIZED

Hello, I am **Nunzia**, the interior designer at your complete disposal.

**Creative, curious and careful** to all the novelties of the world of design. Traveling and getting to know new places are my greatest passion.

Determined to offer the **best advice** for every need, I will follow you carefully with the aim of transforming **an idea into a concrete project**.

My specialty is the combination of **functionality** and **aesthetics** to optimize the space in a **renovation**, new **construction**, but also in a **redesign** of the **bathroom** or living area. I am an expert in new trends, especially tiles, floors, wall tiles, and faucets.

I am always available **to talk** with architects, contractors and furniture experts to find the **best living solution**. For relevant projects, there is the possibility to meet us in Milan to discuss them in person.\*

### INTERACTIVE REALISATION

#### CONFIRMATION OF THE CONSULTATION

After confirmation of the estimate, depending on the amount, will be issued an invoice from the value of 20% of the total.\*

#### INTERACTIVE DESIGN

After successful payment, you will have the possibility to make two 3D renders per field in the estimate. You will be shown step by step the design phase, which will take place interactively with me, so that you can follow the rendering of the living space as it is created, directly from the computer.

#### ADDITIONAL VIDEO CALLS

It is possible to make additional video calls where you can discuss the details of the renders. Alternatively, you can arrange a live video call for a virtual tour of the showroom to view the products.

\*To confirm the work and the project commitment, an invoice (amounting to 20% of the total amount) will be issued for the consultancy service. This amount will be deducted from the total budget upon delivery of the final project. The consultancy offer is valid for 6 months, after which the 20% invoice will not be refunded.

## 3. Definitive 3d renders

### PROJECT ENDED

#### FINAL CONFIRMATION QUOTATION

Depending on the latest status of changes and adjustments, the final quote will be prepared.

#### 3D RENDERS

Once the final 3D renders are approved, you will receive them in high resolution with all the details, tips and advice you need to get started.
